BENEFITING: Family Services of Greater Houston is one of Houston’s oldest non-profit social service organizations. For 105 years, Family Services has helped individuals and families find their way by providing the counseling and direction needed to change their lives and the community. Last year, Family Services provided counseling, education and support services to nearly 60,000 individuals and families in greater Houston. Each day, the organization works to fulfill its mission to provide individuals and families with the counseling and guidance they need to strengthen themselves and their relationships.
