

For over 106 years, Family Services of Greater Houston, a United Way agency, has been providing children and families with the tools and skills to improve their lives and become self-sufficient.

Returning Home, a Texas Resources for Iraq-Afghanistan Deployment (TRIAD) program, is designed for Veterans who have returned from War and are looking to transition back to civilian life. We understand your needs and are here to assist you.

We offer a wide range of **free** services to military personnel, Veterans who have served in Iraq and Afghanistan and their spouses, children and parents.

Funding for this program was provided by the Texas Resources for Iraq-Afghanistan Deployment (TRIAD) Fund of the San Antonio Area Foundation
